## Personal Finance Education for Students

Dear HMHS Parents:

If you agree with me that personal finance education is a necessary part of your child's education, I invite you to register your child for my upcoming finance courses available through the Haddonfield Adult School.

To introduce myself, I have lived in Haddonfield for 13 years and have two sons, Jack (a freshman) and Dillon, a recent graduate of HMHS. I have a finance background and for the past 5 years I have been volunteering my time at HMHS, presenting personal finance information to the senior classes.

As a parent, I think it is crucial that our children learn the basics of personal finance as early as possible. I believe that the best way to do this is through classes that provide relevant, easy-to-understand information. The topics covered in my course will include the basics of finance, personal budgeting, credit cards, mortgages, basis investments, credit scores, buying a car, etc. Additional course information follows:

- A portion of the net proceeds from the class fee will be donated to HMHS.
- Each class will be held at **Haddonfield High School in Room C-117** over two consecutive Mondays:  
**Monday Oct 11<sup>th</sup> & 18<sup>th</sup>: 7:30 p.m. – 8:30 p.m. (11<sup>th</sup> and 12<sup>th</sup> graders)**  
**Monday Oct 25<sup>th</sup> & Nov 1<sup>st</sup>: 7:30 p.m. – 8:30 p.m. (9<sup>th</sup> and 10<sup>th</sup> graders)**
- The class fee of \$65.00 includes admission for one child and one parent. Attendance by parent is not mandatory but recommended.
- Also included is a copy of my book, *If You Have the Time You Probably Have the Money*. Learn more at [www.plans2succeed.com](http://www.plans2succeed.com).
- An additional benefit is that you will be welcome to one complimentary session with your choice of two different financial planner acquaintances
- You will also gain access to my personal finance website which contains links to many helpful websites.

Visit [www.haddonfieldadultschool.org/pdf/HAS-Fall10.pdf](http://www.haddonfieldadultschool.org/pdf/HAS-Fall10.pdf) to register.

I hope that you will take this important step in helping your child prepare for his/her financial future.

Sincerely,
